Praises and thanks are to the God who is The Sufficient for a person who seeks His help. And, He guides the one who asks to be guided. And peace be upon Muhammad and His Ahlul-Bait and curses be upon their enemies.

### **Virtuous**

I advice myself and you to be virtuous. Indeed Imam Sadeq (A.S) told to his companion: O, Ebn-Jondab implies to our Shia and told them: don't become followers of other sects. Oath to God no one become our Shia unless he is pious and tries this world for equation with his brothers just because of God and everyone who does cruelty to people.

### **Ideal society**

We are at the starting days of our school. So, today I want to declare aspects of an ideal student . But we have anniversary of Imam Sadeq's (A.S)martyrdom, the one who has great respect among all sects of Muslims, because in his period of time he protected Islam and its culture against other religions and heresy.

He lived in the last years of Ummayyads and the first days of Abbassids, so because of this accident and changing of governments, unorthodox believed this was predestinism, and heretics and sophists tried to attack Islamic beliefs. And in this period of time there were lots of schools and teachers who created doubt among the people about monotheism, predestinism, authority, inspiration, prophecy and Imamate. Imam Sadeq (A.S) in this period of time started a big battle against them and defeated them and he made thousands of scholars benefited from his knowledge. One of his students was the Malek-Ebn-Anas, the leader of Mallekis, told: I was at his presence long time and he use to pray, he kept fasts and he read Quran. No one had seen someone like him and no one could imagine someone better than him in knowledge, praying and piety.

The book of al-Kamal narrate from Abu-Hanife( the leader of Hanafies): I was in his class for a period of time and I didn't see anyone who was better than him in Islamic knowledge. And in other books he told: the knowledge of Jaffar Ebn-Mohamed fill the world.

And Ebn-Teimia with his repulsion from Shia told: The Jaffar Ebn-Mohamed is one of leaders of our religion and all Sunnis accept that.

### **His morality**

These are about his knowledge. But about his morals, One of his companions told: I was in his room at his last moments and he was unconsciousness. But when he became better he asked me: pay seventy gold coin to the Aftas. I ask him: why? He is the one who wants to kill you! He answered me: *you want me to don't be among whom God told them to be kind with someone God ordered to be kind with.* And then he ordered us to gather all of his family and told them: our intercession doesn't reaches to someone who didn't respect to his pray.

May Allah help us to follow him in all aspects of our life.
