

In the Name of Allah the Most compassionate, the Most Merciful  
Juma (Friday) Speech by Sayed Mahmood Madani  
18<sup>th</sup> of November, 2011

Praises and thanks are to the God who is Sufficient for a person who seeks His help. And, He guides the one who asks to be guided. And peace be upon Muhammad and His Ahlul-Bait and curses be upon their enemies.

### **Virtuous**

I advise myself and you to be pious. Do your best to obey Allah's order and keep your selves away from disobediences. Think more and more about Allah's book and its verses, also try to follow the last messenger of God and his Ahlul-beit because Allah has said in the holy book of Quran, "**Allah wishes only to remove Ar-Rijs (evil deeds and sins, etc.) from you, O members of the family (of the Prophet ﷺ), and to purify you with a thorough purification**" so we can build up our society on their guidance.

Dear audience, here I want to present a great and blessed gift to you. It is a Salam from our sixth Imam, Imam Jafar Al-Sadeq. Please listen to it carefully and think about it deeply. Anyone act upon it will gain the true benefit.

Kuleini narrated that Imam Sadeq(A.S) said to Zeid Ebne Shaham, "pass my Salam to all those who obeying me, I advise you to be pious and be careful about your religion."

What is the meaning of piety in this Hadith? Our scholars has said: staying away from whatever we afraid that it harm our religion, or some of them said: do not eat and wear what we get and do not stay with whoever we found but we must look carefully in all of them and leave what is haram and what we are not sure about it. Then Imam Sadeq (A.S) add, "do Ejtehad (try your best) for your religion" the Ejtihad means doing the best but today we use Ejtehad for knowing the reason of jurisprudence law from Quran and Hadith. After this advices Imam Sadeq(A.S) ordered us to four Good action and he said, I advise you to be honest, keep others belongs that is in your hand safe, long prostrate and good neighborly. Because of these Prophet Mohammad has come." By reminding this hadith I also want to say we are in the last weeks of the Arabic year and we are about to start New Year. Try to remember what you did and recount your actions.

Also we must prepare ourselves for the ceremony and the grief of our third Imam, the master of the youth of heaven, Imam Hussein (A.S) in the month of Moharam as our prophet ordered us to do it and compliment it.

We ask god to help all the Muslim all around the world and save us from the trap of atheists and put them in their trap.
