Praises and thanks are to the God who is Sufficient for a person who seeks His help. And, He guides the one who asks to be guided. And peace be upon Muhammad and His Ahlul-Bait and curses be upon their enemies.

Virtuous

I advise myself and you to be pious. do what he likes and what make him satisfy because the heaven just will be for obedient and there is no escape from the hell just by action and repent and the best way to get closer to him and the best way to catch his satisfaction is acting upon his will and obeying what he ordered or prohibited. The commander of the faithful has said: dignity in the Allah's eye just gain by good action; not by good words. Furthermore someone asked him for an advice Imam told him, do not be like those who ask heaven without action and postponed the repent because of long term wishes. Do not be from those who like good people but do not act like them, and hate the sinner and they are one of them.

We ask god to help us for good action as he likes it.

Coming events

We will have the anniversary of the bitterest event of all time, the anniversary of the martyrdom of the last prophet (P.B.U.H). Imam Ali (A.S) has said about it, "by your death something has been cut off that by the death of no one did not cut off (the revelation)." Also a poet said, formers did not miss someone like Prophet Mohamed and until the Day of Judgment the missing of no one will not be like him. Also we have the martyrdoms of Imam Hasan (A.S) and the Imam Reza (A.S).

We pay our great condolence to the Imam of our time and to the dear audiences.

We must know that rather than all these catastrophes are great but the greater grief is ignoring their teachings. Prophet told us, everyone die and he do not have any will paper he died in the Dark Age. So we must ask ourselves: is it possible that he died without any will? He repeated in his deathbed what he have said when the verse of "warn your relative" descended in the surah of Al-shuara,. At the time prophet invite all his relative to the house of Abu Taleb two times. Then told them, I came to save this world and the next world. Allah has ordered me to invite you to return to him. So who will help me in this work so he will be my brother, the executor of my order and my representative after my death? Lots of

narrators narrated this Hadith as well as Tabari in his historical book, Ebne Athir in the Alkamel and Hendi in the Kanz Al-Omal.

He also in the last Haj informed people that this year is the last year of my life and then he said, I will leave two great things. Allah's book and my house hold. If you grab on to these two you will not lost, never!!

My dear brothers and sisters! I advise myself and all and each of you to hold to Allah's book. Truly it will intercession in the day of judgment and also we need its teaching today in the morals, politics and other things. Also we must follow Ahlulbeyt that Quran reveal their pureness from evil. So the triumph in the both world will be achieved by their guidance. In addition prophet also told, if you grab into them you never will lost and they will not be separated from each other until they come back to me nearby the leak. We beg Allah to help us and all the Muslims to follow both in our life.

We also ask god to help the oppressed Muslims in the Palestine, Bahrain, Yemen, and Libya.
