

In the Name of Allah the Most compassionate, the Most Merciful
Juma (Friday) Speech by Sayed Mahmood Madani
7th of October, 2011

Praises and thanks are to the God who is Sufficient for a person who seeks His help. And, He guides the one who asks to be guided. And peace be upon Muhammad and His Ahlul-Bait and curses be upon their enemies.

Virtuous

I advise myself and you to be pious. Always keep Sincerity in your intention because Allah ordered all his prophets and servants to have pure intention in their worship. Allah says in the holy Quran, in Suratul Bayenah, ***“And they were commanded not, but that they should worship Allah, and worship none but Him Alone (abstaining from ascribing partners to Him).”*** God will not accept any partnership and any action that part of it is being done for others. Our prophet said about it, **“what I am mostly afraid for you is small atheism”**. He was asked: what is the small atheism? He answered, **“Duplicity”**. Also he said in another Hadith that, **“in The Day of Judgment my Ummat will be in three group. One of them prayed Allah purely, second group prayed him with a duplicity intention, third group did prayers for (physical) world. So, the group that did prayers for the (physical) world will be told: what you have gained will not benefit you anyway and you don’t have any way to go back, so go to hell. And those who did their action with duplicate intention: your actions did not reach to us and you will not take their benefit today, go to hell. And those who did their action with pure intention will go to heaven”**. So dear brothers and sisters, please purify your actions and have fear from Allah’s justice in the private and public truly god is with those who are pious and benefactors. We ask God to make us among the pious and those who have sincere intention.

Great events

The next week is a very happy, merry and glad week because of the birthday of the eighth Imam, Ali Ebn-Mosa Al-Reza (A.S). I greatly congratulate the Imam of our time, our Maraje, you and all the Muslims because of the arrival of the Scholar of Ahlulbeyt.

On this occasion I have to say, all of our Imams did Jihad, all of them did their best to preach and declare the message of god and they tried to interpret the holy Quran rightfully and all of them put their life upon this way. But since the martyrdom of prophet Mohammed, the history of Shia had three important stages with three great events that save the true Islam through the history.

The first one is the martyrdom of Imam Hussein, his children and his companions. Their blood cleared the right way of truth, and this event shows the Islamic political system,

such system that will establish the justice and morality, and it will destroy the way of strays and Taghut and oppression.

Second event and stage is the stage of Imam Baqer (A.S) and Sadeq (A.S) and their great school. In this stage these two great Imams established a big school to teach and preach the true message of Islam and they answered all doubts and misgivings.

The third stage started with the great immigration of Imam Reza to Iran. Imam Reza in all the cities and villages that he passed through had preached them and showed them the right path. He narrated to them the Hadiths of prophet Mohammed and interpreted the verses of Quran in the right way as he inherited it from his fathers. This journey of the Imam had a lot of great influence in clarifying the teachings of Ahlul bayt. In the same way his teachings and preaching in nishapour, the imam narrated a Hadith which was famous by the name of Hadith silsilatuz Zahb. This hadith was recorded by thousands of narrators. Majlisi narrates from Abi Salt e hirawi that when Imam was going from Nishapur to Marw, scholars approached Imam Redha and urged the Imam to narrate them a Hadith that he has heard from his father. He then said that I heard from my father Musa ibne jaffar and he said that he heard from his father Jafar as sadiq, and he heard from his father Abu jafar, he arrated form mohamaed ibne ali, and he narrated from his father Ali ibnul Hussain, and he narrated from his father the 'leader of the youths of paradise' and he narrated from Ali ibne abi talib, and he narrated from the prophet, and the prophet said that I heard from Angel Gabriel, and he said that he heard from Allah (SWT) he said that " Surely I am the God, there is no God but me, worship me, and whoever says that there in god but Allah, sincerely will enter my castle, and whosoever enters my castle will be saved from my chastisement." They asked O the son of the prophet, whats the sincere testimony? He replied obedience to Allah and Prophets and Wilayat to the Ahlul Bayt. In other narration we have that there are conditions and I am one of the conditions.

This blessed journey was the journey of declaring the message of truth and righteousness and the interpretation of Quran and declaring the Wilayat of Ahlul Bayt. This journey made the foundation of the Shia in Iran.

I ask Allah that Allah make us from the people who testify that there is no God but Allah with is conditions and sincere intentions and also raise us with the Ahlul Bayt. And I greatly ask you to pray for our Brothers and Sisters in Libya, Bahrain, Palestine and Yemen.
